10:25-10:40 am	Significance of the National Bioeconomy Strategy and Climate Action Programme 2030 for the Role of Bioenergy in the Transport Sector	Dr. Joachim Hugo, Federal Ministry of Transport and Digital Infrastructure (BMVI)
10:40-10:55 am	What requirements arise from the National Bioeconomy Strategy and Climate Action Programme 2030 for Bioenergy at state level resp. Saxony?	Daniel Gellner, State Ministry for Energy, Climate Protection, Environment and Agriculture (SMUL)

11:00-12:00 am	Plenary Session - Scientific part (Possible topics/questions)	
11:00-11:15 am	Climate Protection and Bioeconomy - Growth Impulses for Germany?	Prof. Dr. Claudia Kemfert, DIW Berlin, Professor Hertie School of Governance
11:15-11:30 am	Opportunities and Necessity of the Bioeconomy on an International Level	Dir. u. Prof. PD Dr. Martin Banse, Society of Agricultural Economics and Social Science (GEWISOLA)
11:30-11:45 am	A European Green Deal - Becoming the First Climate Neutral Continent	Prof. Andrea Monti, Università di Bologna - UNIBO / EERA Bioenergy
11:45-12:00 am	Contribution of the Bioenergy to Climate Protection	Prof. Dr. Renjie Dong, China Agricultural University - CAU
12:00-12:30 pm	Round Table with Speakers from the Plenary Sessions (incl. Photo)	
12:30-1:30 pm	Lunch	
1:30-3:30 pm	Session 1 „Contribution of Bioenergy for Climate Protection"	
3:30-4:30 pm	Poster Speed Presentation & Coffee Break	
4:30-6:30 pm	Session 2 " From Waste to Resources"	
7:30 pm	Network evening with Science Slam	
17th September	DBFZ Annual Conference	
9:00-11:00 am	Session 3 "Bioeconomy value chains"	
11:00-12:00 am	Lunch	
12:00-2:00 pm	Session 4 "Economic Structure for the Future"	
2:00-2:30 pm	Coffee Break	
2:30-3:30pm	Closing DBFZ Annual Conference & Opening 3rd Doctoral Colloquium BIOENERGY
