

## Cost of Living in Cork

It can be difficult to work out how much the cost of living is in a different country. Cost of living may vary greatly according to lifestyle.

The costs you will incur depend on your standard of living and attitude to life.

It is best to work out what your estimated income and expenditure will be and budget accordingly. We do not recommend that you rely on a part-time job to help you fund your cost-of-living expenses. We have prepared estimated monthly living costs in addition to budgetary advice.

The cost of living may vary greatly according to your lifestyle and the choices you make whilst studying at UCC. The following decisions will impact your costs:
